Photo Release Form

On occasion our Religious Education and Formation Program uses pictures, artwork, papers, and events that we have worked on to let our parishioners and local community know what is happening with our parish events. We are also working toward developing and/or updating our website. We will from time to time be taking group pictures of the families and students while they are doing particular work or leading prayer and would like to post these pictures in our bulletin, our website or any other publisher that we feel would be in the best interest of the child and the program.

By signing below, you are giving permission for the Religious Education and Formation Program to publish my child(ren)'s photo and/ or academic work in any format including group or individual photos.
